

Welcome back, MaCS Scholars!

FALL 2026 MaCS MEETING

Reconnect with your peers and kick off the new academic year together. All MaCS Scholars are invited.

10

THURSDAY, SEPTEMBER

12:30 – 1:30 PM

Science East Building

Room 3027

What to expect

Fall 2026 activities

Preview everything planned for MaCS Scholars this semester:

- Hands-on Math and Computing Workshops
- Field Trip
- AI Hackathon

Special announcement

New course: "Math behind AI"

Get an early look at a brand-new Winter 2026 course (in the approval process). Explore the linear algebra, probability, and optimization behind today's AI and see how the math you already know drives machine learning.

- Designed for Math, CS, and CIT majors
- All scholars are strongly encouraged to enroll

Hosted by the NSF S-STEM Program

Department of Mathematical Sciences &

Department of Computer Science
