Hi Professor Champanerkar,

My name is Chris Williams and I am the grants coordinator for **Congresswoman Mikie Sherrill**. We received some exciting news from the National Science Foundation today that we wanted to share.

Your proposed project titled "Supporting Undergraduate Mathematics and Computer Science Students with Scholarships and Culturally Responsive Mentoring," was approved! Your team will receive \$1,000,000 towards the project. See below for more information.

We appreciate the great work you are doing and wish you and your team the best as you begin your project! If there is anything our office can assist with in the future, please do not hesitate to reach out.

Best,
Chris

NATIONAL SCIENCE FOUNDATION

OFFICE OF LEGISLATIVE AND PUBLIC AFFAIRS

Award Date: Aug. 14, 2020

Award No.: 2028011

We are pleased to notify you regarding a recent National Science Foundation (NSF) award made to William Paterson University with an intended total amount of \$1,000,000.00.

This project, entitled "Supporting Undergraduate Mathematics and Computer Science Students with Scholarships and Culturally Responsive Mentoring," is under the direction of Jyoti Champanerkar. The award starts Oct. 01, 2020.

The abstract and other information regarding this award will soon be publicly available via the NSF Award Abstracts database at <http://www.nsf.gov/awardsearch/showAward.do?AwardNumber=2028011>.

The National Science Foundation (NSF) supports research, innovation, and discovery that provides the foundation for economic growth in this country. By advancing the frontiers of science and engineering, our nation can develop the knowledge and cutting edge technologies needed to address the challenges we face today and will face in the future.
