# Leave of absence

GRADUATE  
NURSING

Two types: [leave of absence](#)

## **Military Leave of Absence (MLOA):**

Students whose military obligations make it difficult or impossible for them to be successful in their academic program. For purposes of granting a MLOA, a military obligation is defined as (a) deployment, (b) mobilization leading to deployment, or (c) attendance at a military school or college.

## **Medical / Mental Health Leave of Absence:**

Students who must interrupt their studies temporarily due to physical or psychological conditions.

Leave of Absence must be requested prior to the start of the term. See the [semester calendar](#) for specific start dates.

To apply for a leave of absence, log onto **WP Connect – Student tab – WP Enrollment Forms – Leave of absence request form**

Leave of Absence may not exceed two years for enrollment purposes. Students who fail to return from the approved leave of absence will be considered a complete withdrawal and will be required to re-apply to the University after a period of two years.

When a student on LOA is ready to enroll in courses, they **must meet with an advisor** to receive guidance on appropriate courses and the process for re-enrollment.

# Withdrawals

GRADUATE  
NURSING

**Three types:** [withdrawal](#)

## **Partial Withdrawal:**

Student withdraws from one or more courses but remains enrolled in at least one course for the term

## **Term/Session Withdrawal:** (complete withdrawal during a term or session)

Student withdraws from all courses registered for a term.

Partial and Term/Session Withdrawal: students withdraw from their course(s) via WP Connect within permitted dates published on the [semester calendar](#). Students who do not return the following term/semester may return within two years of withdrawing by consulting with an advisor.

## **University Withdrawal:**

Students who wish to separate completely from the University.

To withdraw from the University, students need to complete the Withdrawal from University Request Form, within the permitted dates published on the semester calendar. The form can be found on **WP Connect – Student tab – WP Enrollment Forms – Withdrawal from University Request Form**.

# What do I do for clinical courses

## GRADUATE NURSING

- 1) Student must seek out an **NP** or **MD** preceptor on their own (NUR **7252** and **7253** **MUST** be with an **NP preceptor**) This should be done about 4 to 6 months in advance. Ask facility if they require an affiliation agreement between the University and their facility. If they do, it takes about 2 months to complete.
  - If your site is requesting a contract between the University and the facility, please have the information below and send an email to Dr. Iryna Surmachevska, [surmachevskai@wpunj.edu](mailto:surmachevskai@wpunj.edu). She handles our contracts.

## GRADUATE NURSING

- 2) Students who are registered for a clinical course will be given access to Exxat.
- 3) Submission/approval of **student and preceptor information request forms**. This is done through Exxat. It is called a **Wishlist**. The Wishlist is a clinical placement request. The information on the preceptor request forms will be entered by the student in Exxat, along with a copy of the preceptor's cv/resume. Make sure **NP preceptor** includes their **certification and expiration date** for **ANCC** or **AANP** on their **cv/resume** or **submit a copy of their certification**. If this is not provided, the request will not be approved until the appropriate information is given.
- 4) The coordinators will review and approve/deny submissions. The student will be notified through Exxat when requests are approved/denied or if further information is required
- 5) Once the preceptor request has been approved, Exxat will email the preceptor a **confirmation of clinical placement for the graduate student**. The email confirmation of clinical placement for the graduate student needs to be **approved by the preceptor** and submitted to Exxat. Student should follow-up with their preceptor to make sure they approved the Confirmation of Clinical Placement email through Exxat

## GRADUATE NURSING

- 5) **Complete health clearance (student compliance) requirements** through Exxat. Religious exemption of COVID 19 vaccine needs to be approved by practicum site prior to start of clinical hours. Upload all information in Exxat. All forms are available on the School of Nursing-Graduate Programs webpage under [clinical forms](#)
- 6) **Completed urine/drug screen and background check** with a result of “APPROVED” through Universal. The **Student Compliance** field on Exxat lists all requirements needed for practicum. *Anyone who lives in New York State or who has lived in New York State in the last 7 years must complete a New York background check in addition to the New Jersey background check.*
- 7) All students need to upload other documents (CPR card, malpractice insurance, etc.) found on the student compliance field in Exxat) All students (EDT, ADT, AGNP, FNP, SCN) need to purchase malpractice insurance.

\* All clinical clearance documentation requirements are **due 14 days prior** to the start of the clinical course. *If a student is not cleared 7 days prior to the start of the first day of their clinical course, they will be administratively dropped without warning. NO EXCEPTIONS*

**DO NOT CHOOSE:** A specialty focused practice, such as: hematology, oncology, surgery, respiratory health, etc. These practices do not provide the diversity of young adult, adult and older adult health problems required for certification. Emergency Departments are not appropriate for practicums

# What are the next steps

## Review information in Exxat

- Double check that all information is correct (your name, 855#, clinical site and address, preceptor, and faculty) If anything is incorrect, email [prism-support@exxat.com](mailto:prism-support@exxat.com) & [jenningsj3@wpunj.edu](mailto:jenningsj3@wpunj.edu). If everything looks good, your professor will be reaching out to you about a week before the semester starts.
- Be sure to read all comments made by Exxat. Students are responsible for completing all compliance requirements and having them approved by Exxat. If a requirement needs attention, be sure to provide & upload the proper information.

# Clinical frequently asked questions

## GRADUATE NURSING

- How many clinical hours are required for each practicum? 170 clinical hours.
- When can clinical hours be completed? Only during the student's clinical semester dates. Hours will not be counted if hours are completed before or after the semester dates. Hours are determined between the preceptor and the student.
- What happens if the student cannot complete 170 clinical hours? The student must ask for an incomplete from their professor. The professor makes the determination if the student can take an incomplete. The student has 30 days to complete the hours. If the student is registered for the next practicum, they will need to drop the course and finish the incomplete hours. If the hours are not completed within 30 days, the incomplete will be converted to an F.
- What type of preceptors can be used? MD, DO, NP, RN
- How many preceptors can be used? The same preceptor can be used for two practicums, but it is ultimately up to the lead faculty coordinator.
- What are the clinical deadlines? Pg. 17 and <https://www.wpunj.edu/cosh/departments/nursing/graduate-programs/clinical/>
- Having trouble finding a preceptor? Email a list of 9 preceptors and sites that were tried to [jenningsj3@wpunj.edu](mailto:jenningsj3@wpunj.edu) (On campus) [sosobani@wpunj.edu](mailto:sosobani@wpunj.edu) (WP Online).
- Why is Exxat sign on not working? Only the students who have registered for a clinical course will be given access to Exxat

# What to do for graduation

## GRADUATE NURSING

For a student to graduate, they must fulfill their requirements, such as, complete all their credits in their major, satisfy financial obligations, and apply for graduation. See link for deadlines to apply for graduation. Any student who misses the deadline date can apply for next semester's graduation. Disregard the comprehensive requirement as this does not apply to nursing students. Official transcripts will be ready 6 weeks after the graduation date (degree conferral date). AANP - [The American Academy of Nurse Practitioners Certification Board \(aanpcert.org\)](http://aanpcert.org)

ANCC - <https://www.nursingworld.org/our-certifications/>

**\*All NP students** need to download their entire clinical practicum hours from Exxat when they have graduated. Students will not be able to access Exxat after one year, so students need to make sure they have copies of this information.

See [link](#) for instructions. The School of Nursing does not complete forms for AANP or ANCC. The student completes all the information and submits their requirements.

Students can sit for their exam if their program completion date is within 30 days of their graduation date (conferral date). Anything over 30 days will require a letter from the University. If you need a completion letter, email the director Dr. Cheryl Hollema, [hollemac@wpunj.edu](mailto:hollemac@wpunj.edu), and copy Jami Jennings, [jenningsj3@wpunj.edu](mailto:jenningsj3@wpunj.edu).

**\*If a student has passed their exam, they can only begin practicing once their official transcript is received by AANP/ANCC.**
