- Students who have been home-schooled must provide an official transcript(s) and official SAT/ACT scores as referenced above and below.

SAT/ACT REQUIREMENTS

Entering freshman students must have taken the Scholastic Aptitude Test (SAT) or the American College Test (ACT) and have their scores sent to the Office of Undergraduate Admissions, William Paterson University. To submit your scores, indicate code 2518 for the SAT and code 2584 for the ACT.

TRANSFER APPLICANTS

Candidates for admission who have attended a college or university following graduation from high school are considered transfer applicants. Applicants should complete Parts I, II (Section B), III, and IV. When applying, students must present at least 12 college-level credits (excluding basic skills) with a minimum 2.00 grade point average (GPA); nursing majors must have a GPA of at least 2.50, teacher education applicants must have a GPA of at least 2.75, and communication disorders majors must have a GPA of at least 3.50. There are some limitations on the number of credits accepted, i.e., a maximum of 70 credits from a two-year institution or 90 credits from a four-year college or university.

- You must request that ALL institutions previously attended forward an official transcript of all college or university work completed to the Office of Undergraduate Admissions.
- Applicants who earned credits through the College Level Examination Program (CLEP) or through Advanced Placement (AP) must request that an official score

report be sent directly to the Office of Undergraduate Admissions.

- Applicants admitted with 60 credits or more MUST declare a major and be accepted by a major department.
- Applicants who have completed fewer than 12 transferable credits MUST submit SAT/ACT scores and an official high school transcript.
- Transcripts received after your admission to William Paterson University and NOT listed on the application will NOT be accepted or reviewed for transfer credit.

READMIT APPLICANTS

Students who were officially accepted to William Paterson University, attended classes and earned grades, and then have not been in attendance for a period of more than two semesters or whose William Paterson University grade point average (GPA) is below 2.00 must reapply through the Office of Undergraduate Admissions. Students whose GPA is at least 2.00 and have been out of attendance for two semesters or less may contact the Registration Services Office directly to register for classes. Applicants should complete Parts I, II (Section C), III, and IV. If courses have been taken at another college or university, an official copy of the transcript(s) MUST be forwarded to the Office of Undergraduate Admissions, regardless of whether taken before or after enrollment at William Paterson University. **NOTE:** Readmit applicants with a William Paterson University GPA below 2.00 and who have earned at least 24 credits with a 2.00 GPA at another college/university may be eligible for grade suppression. Please contact the Registration Services Office for further details at 973.720.2700.

SECOND-DEGREE APPLICANTS

Students who already hold a baccalaureate degree and wish to obtain a second baccalaureate degree are considered second degree applicants. Applicants should complete Parts I, II (Section B), III, and IV. Applicants are considered upper-division undergraduate students and pay undergraduate tuition and fees.

ART APPLICANTS

In order to be admitted directly to the B.F.A. art program, students **MUST** submit a portfolio for review by the art department as part of the admissions criteria to the department. Information regarding the review will be sent upon receipt of your application. Portfolio reviews are conducted by appointment. Visit the art department's website at www.wpunj.edu/coac/art or call 973.720.3732 for details. In addition to passing the portfolio review, students **MUST** also meet regular admissions criteria. Passing the departmental requirements neither expresses nor implies admission to the University.

COMMUNICATION DISORDERS APPLICANTS

First-time students who meet University admissions requirements may be admitted provisionally to the B.A./M.S. program in communication disorders. Formal admission is offered in the sophomore year to students who meet specific academic criteria. Transfer applicants must have a minimum GPA of 3.50 and will be reviewed for admission to the program on a case-by-case basis.

MUSIC APPLICANTS

In order to be admitted directly to the music program of choice, students **MUST** audition as part of the admissions process. Audition requirements and deadlines vary by program. Information regarding auditions may be found on the music department's website at www.wpunj.edu/coac/music. In addition to passing the audition, students **MUST** also meet regular admissions criteria. Passing the departmental requirements neither expresses nor implies admission to the University.

NURSING APPLICANTS

Freshmen who meet University requirements for admission, but are not accepted into the nursing major, will be admitted to the University as undeclared, based on space available and student qualifications. Undeclared students should speak with an academic counselor in the Gloria S. Williams Advisement Center to discuss an academic plan and time line. Due to the competitiveness of the program, internal admission to the nursing major is neither implied nor guaranteed.

Transfer, readmit, and second degree applications will be reviewed for admission to the nursing major on a case-by-case basis. Transfer applicants must have a minimum GPA of 2.50. Students who are not admitted to the nursing major must apply to another major. It is important to be aware that the possibility of changing from another major into nursing at a later time is highly unlikely. The priority deadline for transfer, readmit, and second degree students is February 1 of each year. Decisions can be expected in early April.

TEACHER EDUCATION APPLICANTS

Upon acceptance to the University, students pursuing teacher certification (other than physical education or music education) may declare an education major in early childhood, elementary, or secondary education; teacher of students with disabilities (i.e., special education) endorsements are also offered. However, students are not formally admitted to teacher certification programs until they complete 60 credits with a minimum 2.75 GPA and meet other matriculation requirements.

All students pursuing teacher certification (other than physical education or music education) must have two majors: one in education and one in an approved degree program in the liberal arts or sciences.

UNIVERSITY HONORS COLLEGE

Students with outstanding academic achievement may be eligible for admission to the University Honors College. Please be sure to complete the online Honors application in addition to the Application for Undergraduate Admission. The Honors application is available at www.wpunj.edu/applynow.

EDUCATIONAL OPPORTUNITY FUND PROGRAM

Applicants must submit a high school transcript indicating high school graduation or copies of GED scores and diploma.

INTERNATIONAL STUDENTS

Admission is based on a review of appropriate educational documents, as well as proficiency in the English language as measured by the Test of English as a Foreign Language (TOEFL). Be sure to also complete Part II, Section D, and the required international student financial worksheet in addition to the regular application. The international student financial worksheet is available at www.wpunj.edu/applynow.
