Internship Evaluation

1. Description: As their capstone, Masters candidates complete a 100-hour internship in a school or clinic setting under the direction of a cooperating Learning Disabilities Teacher Consultant (LDT-C). Their requirements are to complete three educational evaluations and participate in whatever other activities comprise the cooperating LDT-C's responsibilities. These typically include conferencing with parents, teachers, and Child Study Team members, observing students, reviewing records, and various tasks associated with case management.
