

Assessments and Transition Points for Advanced Programs

Advanced programs have four transition points common to all programs and 6 to 8 major assessments

1. Admissions to WPU/COE
2. Interim Progress
3. Exit
4. Post-Graduate Follow-Up

Transition Point 1: Admission and Matriculation	Transition Point 2: Interim Progress	Transition Point 3: Exit	Transition Point 4: Post-Graduation Follow-Up
<u>Admissions Committees Review of:</u> Bachelor's degree with minimum undergraduate GPA of 2.75 Certification documentation or evidence of teaching experience Minimum MAT or GRE score Essay 2 Professional References Interview if needed <u>Upon Matriculation: Assessment Collected:</u> Time 1 Dispositions Assessment by Candidates and Supervisors	<u>Program Director or Faculty Advisor Review of:</u> Successful completion program-specific gateway courses Cumulative GPA of 3.0 in required course work before enrolling in capstone research experience <u>Assessments Collected:</u> Evidence of successful completion of required field/clinical experience in a diverse setting <i>Assessment 3- Planning and Assessment 4-Field or clinical experiences</i> Time 2 Dispositions Assessment by Candidates and Supervisors	<u>Program Director or Faculty Advisor Review of:</u> Completion of all credits in program with cumulative GPA of 3.0 or higher Completion of Program-Specific Exit Requirements <u>Assessments Collected:</u> Specific assessments depending on program: Portfolio; comprehensive exam; oral presentation; staff development plan Successful completion of research requirement Assessment #s vary with programs, but all advanced programs have 1-2 assessments to evaluate this component. Assessments 1, 2, 5, 6, 7, and/or 8 Time 3 Dispositions by Candidates and Supervisors	Surveys of Alumni Surveys of Employers
