	<ul style="list-style-type: none">▪ They are looking for collaboration and informal learning environments to balance activity centers with sound attenuation as students need to be able to readily move from louder and more active areas to quieter areas for solitary study.▪ Furnishings need to better support laptops and provide electricity.	
	Negative:	n/a
	<ul style="list-style-type: none">▪ WPU needs to move away from tablet armchairs as they are functionally too limiting and have negative connotations associated with primary and secondary education.	
Other Comments	This was a general interview session with the committee that makes policy recommendations relative to the attributes of learning spaces on campus. Perkins Eastman made a presentation related to the Learning Spectrum of educational environments for discussion.	n/a
