Project Name: William Paterson University – Academic Zone Master Plan

Project Number: 46490.00

Meeting Date: December 7, 2011

Business	Subject	Action By/ Date Req'd
	<ul style="list-style-type: none"> ▪ Has the only athletic training room on campus, used by Kinesiology and Athletics; this is primarily an academic space. ▪ Kinesiology: <ul style="list-style-type: none"> ○ Has three classrooms (2 at 30 students and 1 at 22) ○ Two class labs: <ul style="list-style-type: none"> ○ Exercise physiology at 20 seats ○ Motor learning lab at 15 seats ○ Many classes require 50 seats and must be conducted in other buildings (which can be anywhere on campus). ○ Approximately 600 majors – one of largest at WPU ○ Three bachelors offered: <ul style="list-style-type: none"> ○ BS of Athletic Training ○ BS of Exercise Physiology ○ BS of Physical Education ○ Adding BS of Sports Management in Fall 2012 (approximately another 100 majors by 2015). ○ MS of Exercise Sports Studies (approx. 25 FT students). ○ Certified Athletic Training program requires 1,000 clinical hours – 20% of which is met with WPU's Athletic program, the other 80% is off-campus. ○ Kinesiology often feels ignored by other academic programs. ○ 13 FT faculty (ask for 20 FT). ○ 33 Adjunct faculty (ask for 25 PT). ○ Adjuncts share 5 desks, only 5 or 6 adjuncts on campus at any given time. ○ University Core Curriculum [UCC] has dramatically increased teaching burden of Kinesiology. ○ Would like an open computer lab. ○ Would like a lounge/commons area. ○ Some relationship with the Public Health program, limited connection with Biology. ○ School of Education's Office of Field Experiences (at Valley Road) places Kinesiology's clinic experiences; they work together but don't need to be co-located. ○ Sports Management works with the School of Business.

	<ul style="list-style-type: none"> ▪ Athletics: <ul style="list-style-type: none"> ○ Wightman meets the needs of 40-50 Athletic students. ○ Wightman is purposefully skipped on campus tours. ○ Athletics is spread out across campus, with no real hub; offices are in lower level of Ben Shahn (visual arts building). 	n/a
	<ul style="list-style-type: none"> ▪ Recreation: <ul style="list-style-type: none"> ○ Rec Center is very multi-use; previously used for numerous non-WPU uses, but these have been curtailed due to high WPU-user demand. ○ Recreational Services uses Wightman for open swim ○ Campus has experienced a tremendous growth in the use of recreation services and associated space in the last few years – evidenced by the heavy use of the new Fitness Center in the Overlook Dorm complex by residential students. 	n/a
	<ul style="list-style-type: none"> ▪ Pool: <ul style="list-style-type: none"> ○ Would ideally have separate diving well. ○ Would ideally have separate recreational and athletic areas with different temperatures. ○ Though used by Kinesiology, the pool doesn't need to be co-located with Kinesiology and could be elsewhere including the Rec Center. ○ Used for Pioneer swim (outside rental; coordinated through Conference Services – Frank Petrazino). ○ Used frequently in summer by various camps. ○ Could be rented out frequently, but there's little existing availability. 	n/a

	<p>Negative:</p> <ul style="list-style-type: none">▪ Building is horrible, doesn't meet the needs of any user/occupant.▪ It is the back-up to the back-up facility for Athletics and they try to avoid using it.▪ Generally no A/C in building, particularly problematic in gym and pool spaces.▪ Weight training room is inadequate.▪ Team activities can only be done in Wightman's Upper Gym, not the lower one.▪ No opportunities for collaboration in Wightman.▪ Not enough storage space in Wightman.	n/a
Other Comments	<p>This was a general interview session with user groups. No presentation was made by users or consultant.</p> <p>Associated IR&A 2011 data:</p> <ul style="list-style-type: none">▪ 89 majors of Athletic Training (B.S.)▪ 271 majors of Exercise Science (B.S.)▪ 232 majors of Physical Education (B.S.)	n/a
