Admissions and Enrollment Management Council

Minutes from 10/7/13 Meeting

In Attendance: Christina Aiello, Aria, Cheo, Kristin Cohen, Matthew Crick, Karen Decker, and Shan Feng

- 1. Aria proposed moving the meeting to a more central location. She agreed to check if the library would be available for our next meeting.
- 2. The proposed scholarship policy was discussed. The committee asked for some clarification about scholarship distribution as outlined on page 8 of the policy. It was decided that adding a sentence on that page would help it to be clearer. Kristin Cohen agreed to make the change.
- 3. The committee also discussed how the academic scholarships would be awarded. The idea was proposed to allow programs within the school to write proposals in order to be considered for scholarship money. The committee through that this provided an equitable way to distribute the money among programs. This will be revisited at out next meeting.
- **4.** The committee will meet again on October 17th at 10:00 am to make final recommendations to the scholarship policy. These recommendations will be presented to the Faculty Senate on October 22nd. If there is time, and if the report is available, the committee will also review the Enrollment Report.

The Council adjourned at 1:00pm.
