Frederick Gruel – President
Maureen Conway – Vice President
Anna Mascolo - Secretary

CHAIR’S REPORT:
Mr. Gruel welcomed everyone to the first meeting of the 2013-2014 academic year. He thanked the campus for their patience during the construction projects on campus - the demolition of the Coach House to make way for a new academic core building, and the ongoing construction of the parking garage. Both are very important projects that will benefit the University community immensely.
Mr. Gruel extended the Board’s congratulations and admiration to the four student athletes, Mr. Anthony Biondi, Mr. Jelani Bruce, Mr. Kell’E Gallimore, and Mr. Thomas James who were the subject of national media attention for their honesty and integrity recently at a local store. Mr. Jelani Bruce was present representing his fellow teammates who were attending class. Mr. Gruel commended Athletic Director, Ms. Sabrina Grant, and Coach Jerry Flora for the wonderful work they do building teams of character, responsibility and honesty in addition to successful athletes.

Mr. Gruel acknowledged three financial planning majors who were recently awarded TD Ameritrade Institutional NextGen scholarships for their academic achievements – Ms. Kelly McNerney, Ms. Kayla-Lynn Kascia and Mr. Andrew Milling. Ms. McNerney and Ms. Kascia were present to represent the group and receive congratulations from the Board and a round of applause from all who were present. The three students were invited by TD Ameritrade Institutional to ring the closing bell on the New York Stock Exchange on August 21, 2013. The ceremony was televised live on the CNBC program Closing Bell. Mr. Gruel and President Waldron extended congratulations to Kelly, Kayla-Lynn and Andrew on their achievement.

Mr. Gruel noted that the Board will be holding a retreat on October 4, 2013.

President Waldron thanked VP John Martone for his outstanding service to the University and remarked on all the programs he has instituted and strengthened during his tenure. A retirement celebration is being planned.

President Waldron spoke about the upcoming notable events taking place on campus. President Waldron prepared a detailed report which will be made part of the minutes.

GOVERNMENT AND COMMUNITY AFFAIRS REPORT:
Mr. DeDeo reported that the Gubernatorial debate being held on October 8 at WPU will be a sold out event. The response from the community and the campus has been outstanding. He mentioned two legislative issues – one bill establishes an education funding formula commission, which will review performance-based funding formulas throughout the country and identify best practices. Another bill will establish a higher education tuition study commission to examine the “Pay Forward, Pay Back” program initiated in Oregon and consider the feasibility of a pilot program in New Jersey.

A written report was prepared and it is made a part of the minutes.

EDUCATIONAL POLICY AND STUDENT DEVELOPMENT COMMITTEE REPORT:
Ms. Mascolo reported for Mr. Pesce. The Committee met on September 10, 2013. Professor Michael Rees and two students presented the highlights of their summer study in Italy. They used high tech robots and digital software to create marble sculptures.
