

# New Jersey State Funding Opportunities

## New Jersey Department of Health

Directory of funding opportunities: <http://www.state.nj.us/health/spinalcord/grantfund.shtml>

**Individual Research Grant; New Jersey Commission on Spinal Cord Research:** seeks proposals for research activities that hold the promise of developing effective interventions and cures for paralysis and other consequences of spinal cord injury and disease. Proposals are due December 10, 2014. For more information, visit [nj.state.us](http://nj.state.us)

---

**Exploratory Research Grant; New Jersey Commission on Spinal Cord Research:** seeks proposals from independent investigators to apply their specific expertise to spinal cord research. The award is designed to provide the resources necessary to acquire preliminary data that will allow the successful applicant to obtain continued support from the NJCSCR, NIH, and/or other funding agencies. It is specifically intended to facilitate the application of innovative ideas from other areas of science to the challenges of spinal cord injury and repair. Proposals are due December 10, 2014. For more information, visit [nj.state.us](http://nj.state.us)

---

**Individual Research Grant; New Jersey Commission on Brain Injury Research:** supports research that accomplishes the following goals: (1) to encourage investigators to undertake research on neural protection, repair and regeneration after traumatic brain injury; (2) to encourage individuals to undertake research on the effectiveness of clinical interventions for traumatic brain injury; and (3) to enable researchers with novel scientific and clinical ideas to test them and develop pilot data needed to develop a programmatic area of research that can be supported by additional funding from the National Institutes of Health, and other funding sources. Letters of intent were due approximately August 1, 2014 with applications due October 3, 2014. New deadlines are not posted yet. For more information, visit [nj.state.us](http://nj.state.us)

---

**Pilot Research Grant; New Jersey Commission on Brain Injury Research:** supports research that accomplishes the following goals: (1) to encourage investigators to undertake research on neural protection, repair and regeneration after traumatic brain injury; (2) to encourage individuals to undertake research on the effectiveness of clinical interventions for traumatic brain injury; and (3) to enable researchers with novel scientific and clinical ideas to test them and develop pilot data needed to develop a programmatic area of research that can be supported by additional funding from the National Institutes of Health, and other funding sources. Letters of intent were due approximately August 1, 2014 with applications due October 3, 2014. New deadlines are not posted yet. For more information, visit [nj.state.us](http://nj.state.us)

---

**Programmatic Multi-Investigator Grant; New Jersey Commission on Brain Injury Research:** supports research that accomplishes the following goals: (1) to encourage investigators to undertake research on neural protection, repair and regeneration after traumatic brain injury; (2) to encourage individuals to undertake research on the effectiveness of clinical interventions for traumatic brain injury; and (3) to enable researchers with novel scientific and clinical ideas to test them and develop pilot data needed to develop a programmatic area of research that can be supported by additional funding from the National Institutes of Health, and other funding sources. Letters of intent were due approximately August 1, 2014 with applications due October 3, 2014. New deadlines not posted. For more information, visit [nj.state.us](http://nj.state.us)

---

**Sexually Transmitted Disease; New Jersey Department of Health:** seeks to augment existing Sexually Transmitted Disease services, such as improved diagnostic functions and to perform intervention, outreach, educational and prevention activities. Proposal due date will be announced in the formal request for funding. For more information, visit [nj.state.us](http://nj.state.us)

---

## **New Jersey Council for the Humanities**

**Mini-Grant; New Jersey Council for the Humanities:** seeks nonprofit organizations interested in applying for the Council's mini-grant. Organizations must submit a draft proposal by January 15, April 15, July 15 or October 15, annually. The Council is especially interested in projects that address the Council's theme of Justice, which encourages historical, philosophical, legal, political and/or cross-cultural reflection upon the concept of justice and its application in community and social institutions. Grants of up to \$3,000 will be awarded in support of public humanities projects. For more information, visit [NJCH.org](http://NJCH.org)

---

**Major Grant; New Jersey Council for the Humanities:** seeks nonprofit organizations interested in applying for the Council's next major grant. Organizations must submit a draft proposal by April 1 or September 2, annually. The New Jersey Council for the Humanities awards major grants of up to \$20,000 to New Jersey-based nonprofit organizations and public entities twice a year. The Council is especially interested in projects that address the Council's theme of Justice, which encourages historical, philosophical, legal, political and/or cross-cultural reflection upon the concept of justice and its application in community and social institutions. For more information, visit [NJCH.org](http://NJCH.org)

---

**Humanities Festival Grants; New Jersey Council for the Humanities:** seeks nonprofit organizations interested in applying for the Council's next festival grant deadline. The New Jersey Council for the Humanities awards Humanities Festival Grants of up to \$500 once a year in celebration of National Arts and Humanities Month. The theme for 2014 is *Celebrating 350 Years of New Jersey*. Applications are due June 17, for projects taking place in October. For more information, visit [NJCH.org](http://NJCH.org)

## **New Jersey Council for the Arts**

**Directory of funding opportunities:** [http://nj.gov/state/njsca/dos\\_njsca\\_grants-organizations.html](http://nj.gov/state/njsca/dos_njsca_grants-organizations.html)

**Arts Project Support (APS); New Jersey State Council on the Arts:** supports New Jersey-based nonprofit organizations, institutions of higher learning, and units of local government support a single arts event such as a concert, an exhibition, a reading, the run of a theatrical production, or a festival. Eligible organizations interested in applying for an APS grant must submit a Notice of Intent to apply through the Arts Council's electronic application system by Wednesday, December 18, 2013. Applications were due by Wednesday, February 5, 2014, and must also be submitted through the electronic system. New deadlines are not posted yet. For more information, visit [Solicitation, NJ.gov](#)

---

**General Program Support (GPS); New Jersey State Council on the Arts:** supports the costs of full-time, on-going public arts programs that are maintained by non-profit organizations, agencies, institutions or units of local government and which uphold high standards of artistry, public benefit, outreach program management, and accountability. These programs should have their own mission and goals, have on-going direction, be considered permanent within the sponsoring institution and contain multiple events or activities. Last letters of intent were due December 18, 2013 and full proposals were due February 5, 2014. New Deadlines are not posted yet. For more information, visit [Solicitation, NJ.gov](#)
