Your application was selected for "Verification." Verification is a process governed by Federal and/or State regulations and is used to ensure that the information applicants report on the Free Application for Federal Student Aid (FAFSA) is accurate. In this process, WPU will compare information from your 2018-2019 FAFSA with this form, copies of 2016 U.S. Federal Income Tax Return Transcripts, or if applicable, W-2 forms and other financial documents. If there are differences between the information on the FAFSA and your financial documents, WPU will need to make corrections. **Aid cannot disburse until verification is complete and the deadline to submit ALL forms is 120 days after the last attendance date.**

If your biological or adoptive *parents are divorced or separated, you should have answered the FAFSA questions about the parent you lived with more during the past 12 months. (If you did not live with one parent more than the other, you should have answered the FAFSA questions about the parent who provided more financial support during the past 12 months or during the most recent year that you actually received support from a parent.) If this parent is remarried as of today, include your stepparent as a household member.

SECTION 1: HOUSEHOLD INFORMATION

In the chart below, list the people in the household of the parent for whom information was provided on the FAFSA.

Members of the household include:

- You the student even if you don't live with your parents.
- The *parents (including a stepparent), even if the student does not live with the parents.
- The parents' other children if the parents will provide more than half of their support from July 1, 2018, through June 30, 2019, or if the other children would be required to provide parental information if they were completing a FAFSA for 2018-2019. Include children who meet either of these standards even if the children do not live with the parents.
- Other people if they now live with parents and the parents provide more than half of their support and will continue to provide more than half of their support between July 1, 2018 and June 30, 2019.

Also, include below information about any household member, excluding the parents, who will be enrolled **at least half time** in a degree, diploma, or certificate program at an eligible postsecondary educational institution any time between July 1, 2018, and June 30, 2019. **The name of the college for the parent should not be reported.**
