

Honors College Civic Engagement Report
Fill out one report for each event you participated in

1. Students entering the University Honors College in the Fall 2017 semester and later are expected to complete seven hours of civic engagement each year for a total of 28 hours. Students admitted to the University Honors College as transfer students are expected to complete seven hours of civic engagement each year for a total of 14 hours of civic engagement.
2. The only events that count toward this requirement are events organized by the Honors College; the Honors College Club; events recognized by a UCC Area 5 course; or events that students register for through Pioneer Life.
3. The Honors College will accept the number of hours for each event posted in Pioneer Life or by Student Activities.
