Greek Leaders

Being a part of Greek Life is an excellent pathway to leadership on campus, in your community, and skills that will last a lifetime!

Greek Life is more than what you see on TV or movies! Joining an organization can lead to networking not only within your organization, but also in your council, between councils, Honors Societies, and campus life in general! Greeks work closely with CASL to plan civic engagement, academic, philanthropic and social events on and off campus. Learn more about Greek Life on Instagram @wp_greeks to find individual organizations!

Leadership in your organization

In each Greek organization, there are many opportunities to gain leadership positions. This could look like a President or executive board role, or simply planning an event!

Greek Honors Society

Order of Omega is the Greek Honors Society. This Honors Society has an executive board, as well as members who are inducted based on their leadership and academic performance at William Paterson.

Leadership in your council

Each Greek Organization is part of an overarching council. Within each council there are also executive board positions, chapter representation positions and more!

Greek Senate Leadership

Greek Senate is the governing body of Greek Life, similar to how SGA runs clubs. Greek Senate has eboard positions such as President, VP, treasurer, secretary, and PR chair. Moreover, each COUNCIL PRESIDENT sits on Greek Senate eboard. There are also large senate meetings where a representative from each organization attends. Moreover, there are opportunities to sit on committees to plan events like Greek Week!
