HEAR FROM YOUR PEERS! (Angie, Jason, Maddie, Owen, Rory, and Sarah)

Each week, the Honors College Peer Leaders provide tips for ways to help you have a successful semester. Honors Peer Leaders are upper division students who serve as a support network for other Honors students. Although they work with many first-year Honors students, assisting them with the successful transition from high school to college, all students in Honors can benefit from their knowledge and experience. Please visit [Peer Leaders!](#) to learn more.

Peer Leader Tip of the Week for 5/5- HOW TO END THE SEMESTER OFF STRONG!

It is important that you use your set plan for studying and use your time management skills to do your absolute best on your finals for the Spring 2025 semester! Spending time at places that can help you focus (ex: Student Center, Cheng Library) is a good way to set the tone for the week. A tip to keep in mind during finals week is to set a time period when you silence your devices and have focused study time.
