

**Submission of Final Honors Thesis Project
William Paterson University Honors College - 2022**

Following are the steps for submitting your written thesis project to the Honors College.
Please follow the directions carefully.
The deadline for submissions is **May 5, 2022**.

Step 1. Consult with your Track Director. Make all suggested edits, proofread (and proofread again), and double check that any charts, graphs, and images are displayed properly. When applicable, also check that any embedded or attached video or audio files open correctly. After your Track Director has approved the final version, save the document as a PDF and proceed to step 2.

Step 2. Complete the Thesis Cover Sheet located at <https://www.wpunj.edu/honors-program/assets/Thesis%20Cover%20Spring%202022%20fillable.pdf>. Provide all the information requested on the form and sign it using your electronic signature or by typing your name on the signature line. ***NOTE: Other than your signature, it is not necessary to include the required signatures. Your Track Director, Thesis Supervisor (if different from your Track Director), and Dean Andrew will sign the form AFTER your project has been submitted.***

Step 3. Create a single PDF: Please combine the Thesis Cover Sheet and your written thesis project into a single document, and save it as a PDF.

Step 4. Upload your PDF: Upload the single PDF containing your Thesis Cover Sheet and your written thesis project to the following link:
