2014 UNIVERSITY AUTHORS
RESEARCH & SCHOLARSHIP DAY
DAVID & LORRAINE CHENG LIBRARY
Dear William Paterson University Community,

It is my pleasure to present the Cheng Library’s 25th annual Author Bibliography and to once again honor the scholarship and creativity of our University colleagues. Over the years these bibliographies have celebrated hundreds of authors and their contributions to our understanding of the world around us. The annual author reception and bibliography, presented in collaboration with the Faculty Senate’s Research and Scholarship Day, represents our efforts to showcase the academic achievements of our colleagues.

The Library remains committed to the free and open exchange of information and ideas, such as those represented in this bibliography. Toward that end, the staff encourages exploration of the principles associated with the Open Access movement dedicated to the free flow of scholarly information. Together with the Research and Scholarship Council and with support from the Provost, the Library will be sponsoring a Forum on Open Access on April 15, 2014. More information on this important movement can be found at http://www.sparc.arl.org/.

Finally, as I contemplate my retirement from William Paterson University after more than 33 years of service, I am proud of the dedication my Library colleagues have shown to all aspects of University life, but especially to research and scholarship, which I know will continue after my tenure here ends.

Thank you for participating in this year’s Library Author Reception.

Sincerely,

Anne Ciliberti, Ph. D.
