

Library Notice: June 1, 2021

We are currently experiencing an issue accessing full text articles from EBSCO databases with the *Search All* and *Find Articles* searches from our homepage, and you may encounter an error.

It is still possible to access these articles remotely, using one of the options, below.

1. When possible, use an alternate database listed under *View Online*

View Online

Full text availability

EBSCOhost Communication & Mass Media Complete Available from 04/01/2002. Most recent 1 year(s) not available.	
ProQuest Central Available from 03/01/2002 until 12/31/2007. Available from 01/01/2017. Most recent 1 year(s) not available.	
SpringerNature Complete Journals Available from 01/01/2002 volume: 1 issue: 1.	

The first item is an EBSCO database but the other two resources will still allow you to access the full text content.

2. If your only options are EBSCO databases...

- Make a note of the *article name and author* (you'll need this later).
- Note the *database name* (minus 'EBSCOHost') listed under *View Online*.

View Online

Full text availability

EBSCOhost Academic Search Complete Available from 1998 volume: 12 issue: 3. Most recent 1 year(s) 6 month(s) not available.	
--	--

For example, this would be just "Academic Search Complete"

- Go to the *Databases* tab on our homepage and either search for the database name or use the alphabet to find the right one.

Academic Search Complete

Large, interdisciplinary full-text database contains over 8,500 full-text publications, including academic journals, magazines, books, and trade publications. Offers broad subject coverage for a variety of disciplines, including anthropology, area studies, biology, chemistry, ethnic and multicultural studies, food science and technology, general science, geography, law, mathematics, music, pharmaceutical sciences, physics, psychology, religion and theology, women's studies, and many other fields. Partially funded by the the New Jersey State Library.

If you do not see the database you need, be sure that you're not including EBSCOHost as part of the name and click ALL to see a full list of available databases.

- e. Search for the article you need within the database to locate the full text!
