

Approved STEM Majors for NFS Sponsored LSAMP Program

Aerospace Engineering	Environmental Engineering
Animal Science	Environmental Science
Astrophysics	Environmental Studies
Applied Sciences in Engineering (Engineering Physics)	Environmental, Policy, Institutions and Behavior (Human Ecology)
Biochemistry	Exercise Science
Biochemistry and Molecular Biology	Food Science and Technology
Biology	Genetics
Biomathematics	Geology
Biomedical Engineering	Industrial Engineering
Biomedical Science	Information Science/ Studies
Biotechnology	Landscape Architecture
Business Analytics (Business Management)	Management Science
Cell and Molecular Biology	Marine Biology/Marine Sciences
Cell Biology	Materials Engineering
Chemical Engineering	Material Science
Chemistry	Mathematics
Chemical Biology	Mechanical Engineering
Civil Engineering	Meteorology
Computer and Information Sciences	Microbiology
Computer Engineering	Molecular Biology
Computer Science	Neuroscience
Earth and Planetary Sciences	Nutrition Sciences
Ecology and Evolution Biology	Oceanography
Ecology, Evolution, and Natural Resources	Physics
Electrical Engineering	Physiology
Engineering	Plant Biology
Environmental and Business Economics (Business Management)	Statistics
Zoology	Systems Engineering
