The World Language Requirement

- In keeping with William Paterson University’s mission to graduate students who embody “active involvement in a multicultural world,” all students are required to demonstrate competency in a language other than English, either by 1) completing up to six (6) credits of a single world language (or American Sign Language), or 2) by demonstrating, via a test, intermediate proficiency in the selected language.

- It is to the student’s advantage to take the placement test. You might be waived from the language requirement!

- Students who wish to fulfill the world language requirement by taking a proficiency test have the following options:
  - Challenge Exam, Transfer credits, NYU Proficiency Test, Exemptions
  - Any questions please contact James Miles at milesj@wpunj.edu to have your question directed to the correct person.
Verification of COVID-19 Vaccination
The University has worked successfully with the New Jersey Immunization Information System (NJIIS). This means that for anyone who was vaccinated in New Jersey and did not opt out of NJIIS, we will likely be able to obtain your vaccine information. This applies only to those vaccinated in New Jersey. To verify that the University has your vaccine information, please visit the WPconnect COVID Vaccination Portal, also located on the main page of WPconnect. Once there, you will be able to verify if we have your vaccine information on file. If you are fully vaccinated and we have your information, you don’t need to do anything further. If we do not have your COVID-19 vaccine information, you will be able to upload an image of your vaccine card into the portal.

WP COVID-19 PROTOCOLS
All members of the campus community are required to practice social or physical distancing by staying at least six feet from others in both indoor and outdoor environments and to wear face coverings, except in private spaces and situations such as when alone in an office or residential room, as outlined in the University’s Social Distancing and Face Covering Policy. In addition, students are required to sign the COVID-19 Reopening Safety Pioneer Pledge to acknowledge required public health practices and University procedures and protocols that have been developed to reduce the risk of transmission of COVID-19.
Exemptions
All exemption requests must be submitted through the WPconnect COVID Vaccination Portal, also located on the main page of WPconnect. The University will consider requests for exemptions due to religious or medical reasons. All exemptions must be requested by July 21. You must log in to WPconnect to access the portal and will find instructions for requesting an exemption.

If requesting an exemption for religious reasons, students, or a parent/legal guardian if the student is a minor, will be required to attest that the immunization conflicts with the student’s religious beliefs. A religious exemption is not the same as a philosophical, moral, or conscientious exemption. A request for a medical exemption will need to be approved by the Counseling, Health and Wellness Center. Students must submit a letter from their medical provider explaining the medical contraindication and the time period for which the exemption is being requested.
WP I.D. CARDS

- College ID is important for participating in events at both the WP Mercer and Wayne campuses.
- College ID’s- all WP at Mercer students will have two ID’s- a Mercer ID and a WP ID.
