**VI. Aashish Andrew, VP of Allocations**

**A. Excel Training Possibility**

- i. Ash's workplace Excl training where students can log in and watch videos on their own. Jaime mentioned that it could be a task for senators but it should be offered to students across campus as well. Donna recommended that maybe Allocations could offer training sessions as programs.

**B. Budget Update**

- i. One club has requested \$240 for a virtual paint night. The budget otherwise is still the same

**VII. Claudia Morales, VP of JRB**

**A. Current status of the committee**

- i. The JRB committee is struggling to meet quorum but the committee is meeting weekly and working on changing/updating the constitution
- ii. She needs one more committee member to meet quorum
- iii. Jaime mentioned that Allocations is also reviewing the Financial guidelines since no clubs are requesting funds

**VIII. Advisor's Comments**

- A.** Jaime and Donna commended everyone for doing a great job especially during these times.

**IX. Old Business**

- A.** Claudia reminded everyone to do check ins with their senators to make sure everyone is ok mentally.
- B.** There is a Student development meeting tomorrow at 8 AM. Jaime mentioned that Eboard should bring up the issue with the dining hall where students are not comfortable with eating inside the hall. They want to be able to have takeout again.

**X. New Business**

- A.** The President's office is looking for 8-12 students to self-record a message of what they want for 2021. Donna wanted to extend the invitation to the executive board first and then to other students.
