 - A. Pass/No Credit Proposal
 - i. The original proposal regarding the Pass/No Credit rule that only applies to 1000/2000 level courses has been received with mixed reviews. Many upperclassmen are disappointed that they are left out of the final outcome when it comes to their 3000/4000 level courses. The letter mentioned that students receiving A, B, or C will automatically keep their letter grades. D will automatically receive a Pass and F will become No Credit. This only applies to 1000 and 2000 credit courses. The Eboard discussed how they felt, how their peers felt about the letter and suggestions for improvements to discuss at the next Student Development meeting.
 - ii. Nour brought up the issue of the distance learning fee given that all courses will be taught online next semester. Donna recommended that that issue should be up in the SD meeting too.
