- III. Approval of Agenda 1st by Claudia, 2nd by Ash**
- IV. Approval of Minutes 1st by AJ, 2nd by Amelia**
- V. Anisa Kamara, President**
 - A. Deadlines**
 - i. We have to do better with stick to deadlines regarding the Wellness Week. Ideas for programs were due February 15th. Please keep track of deadlines and due dates.
 - B. Forums**
 - i. The Enrollment and Budget forum is tomorrow at 2 PM. Please attend on behalf of SGA. The information presented will be overall enrollment facts
 - ii. The Black Caucus forum is tomorrow on Zoom at 3:30 PM. Mike is planning a forum in March to discuss what the plans are for Fall 2021, and she'll ask what programs students will like to see and come out to.
 - C. Workshops with Kody**
 - i. Kody has agreed to come into the Senate meetings a few times this semester for 15-20 minute workshops at the beginning of Senate. Eboard agreed to potentially bring him in for a forum to speak with more students.
 - D. Middle States Accreditation**
 - i. The Accreditation team will be coming to the University in March and they review all the programs WP hosts for the Accreditation program. Next week, a forum will be held to explain what Middle States is looking for. The team will want to meet with students, most likely the SGA, to ask how they're experience is on campus. Donna encouraged everyone to attend to learn about the process and be prepared for the upcoming team meeting.
- VI. Amelia Medici, VP of PR**
 - A. Events**

- i. Zoom events are getting harder to gather interest and high attendance rates. Claudia suggested signing up for a Zoom reading session to young children. Eboard agreed if senators sign up, it will count as office hours and Donna will award civic engagement hours.
- ii. The Eboard discussed that senators haven't been engaging so much during their committee meetings. Advisors reminded VPs to hold them accountable during monthly reports. Do not sign anything if you know senators are not completing assignments so when Stipend Review Board comes, senators understand where they stand.

B. Eboard videos

- i. Videos are due Sunday night. In the videos, introduce yourself, your major, interests and any facts you would like to share. This engagement is great for social media and it's a great way to interact with the student body.

VII. Advisor's Comments: Stay on top of you senators. Unfortunately with Zoom it's harder to keep track of who is still active but still look after them.

VIII. Old Business:

- A. Shirts are here and will be in the SGA office. There is a shirt for everyone and those who take one need to sign the sheet to confirm pick up.
- B. Next week, come prepared with names of senators to nominate for Senators of the Month. They'll be chosen next week and announced at the 1st meeting in March.
- C. AJ and Kaydyn will work on a newsletter/flier on what SGA has completed or is working on to share with the student body.

IX. New Business

- A. Budget Committee will begin meeting next Tuesday.

X. Announcements

- A. The Emergency Relief Fund will be available for students soon. Other universities have mentioned that hackers have reached out to students pretending that they have the application available to students. Please be careful of any links you receive soon regarding the relief funds.
- B. The next Student Life forum is next Thursday during Common Hour. It will count for office hours.

XI. Adjournment: 5:53 PM
