

PXW-Z200
Competency Test

This test covers the student's knowledge of the PXW-Z200 available to Film, Television and Audio (Media Production) students. Students may miss up to 3 of the non-essential questions and still pass. If a student misses one of the **essential questions**, it results in automatic failure for that test. Bolded questions are essential.

1	How do you put the SD card in the camera?
2	Put the battery in the camera and turn on the power switch
3	How do you control the Iris manually?
4	How do you switch to auto Iris?
5	How do you add the neutral density filter in steps.
6	How do you switch to variable ND?
7	How do you adjust the gain?
8	What are three ways you can control the zoom?
9	How do you adjust the diopter on the electronic viewfinder (Eyepiece)?
10	How do you control the focus manually?
11	How do you switch to auto focus?
12	How do you white balance the camera?
