

# Veterans & Active-Military Listening CORner VALOR

Join us for an open support group for all WPU Active Duty & Veteran students; a safe space for conversation. Our goal is to have a space to truly hear one another, as well as serve each other to work through challenges both old and new.

- We create an atmosphere where veterans and military students can examine freely and discuss personal concerns of any type.
- We all value privacy and confidentiality.
- We strongly encourage the use of headphones and finding a private physical space to talk.
- There are no expectations or commitments required; we are here when you need us and you only share what feels comfortable to you.

**Next Meeting: Tuesday, November 10**

**12:30 – 1:30pm**
