**MY JOURNEY FROM WPU TO SILICON VALLEY:
25 YEARS OF LESSONS LEARNED**

by Christine Gabbard
Sr. Customer Solutions Manager
Amazon Web Services (AWS)

While at the software company Autodesk, Christine Gabbard led teams that implemented conversational AI using IBM Watson for the Autodesk Virtual Agent (AVA) to help customers get the right answer faster with Artificial Intelligence and Machine Learning. For this work, Christine was honored with IBM's 2019 "Women in AI" award. Christine currently works for AWS driving customer success and accelerating outcomes and cloud maturity.
